

国际华人教育技术学会
Society of International Chinese in Educational Technology

The 3rd International Conference of Educational Innovation through Technology (EITT2014)

First Call for Papers

Conference Date: Oct. 27-30, 2014
Conference Venue: Brisbane, Australia

SICET will organize its third International Conference of Educational Innovation through Technology (EITT) to provide a forum for researchers who study technology and education to publish research findings and exchange experiences in related topics.

The conference will be held on **Oct 27-30, 2014 in Brisbane, Australia**. You are invited to present at EITT 2014 to share your expertise and knowledge with your peers, the professional practitioners and researchers from various disciplines around the world. The first EITT conference was successfully held in Beijing, China during August 10-12, 2012. The second EITT took place in Williamsburg, Virginia, USA during November 4-6, 2013.

Founded in 2003, the Society of International Chinese in Educational Technology (SICET) is a nonpolitical, non-profit academic organization. The mission of SICET is to establish and strengthen academic international connections, exchanges, research, and studies in educational technology for teaching and learning, as well as to promote the application of educational technology in Chinese education.
